

## Perioperative Services Manager

Kensington Hospital is Northlands only Private Surgical Hospital offering a wide variety of surgical specialities. We currently have four Operating Theatres, a 19 bed Inpatient Suite and are well underway with an exciting site expansion.

Demand for private surgical services in Northland has grown exponentially over the past four years. In view of this, Kensington Hospital is expanding too. This includes the opening a fifth Operating Theatre and additional bed capacity early in the New Year.

We are seeking a dynamic, highly motivated Registered Nurse or Anaesthetic Technician to oversee our Operating Theatres, PACU and CSSD. This new role is a key leadership position within the hospital and is responsible for ensuring high quality surgical services are provided to our patients, for treating our Medical Specialists as key customers, and for ensuring our theatre suite is managed in a business-like manner.

It is an exciting time to join a growing, dynamic organisation that has a progressive and supportive Management team.

If this sounds like you and you have the following:

- Previous experience in a senior role within the perioperative setting
- Proven ability to successfully lead a team, whilst providing strong direction and positive leadership
- A positive can do attitude with a quality focus and commitment to delivering best practice patient care and exceptional service to our Medical Specialists
- Exceptional relationship and communication management skills and the ability to lead change whilst motivating your team to great levels of success
- The ability to include Te Tiriti o Waitangi practices in the clinical setting a head for business and finances to ensure that service delivery is efficient and cost effective.
