

CSSD Technician or Trainee Permanent and Casual

We are seeking a CSSD Technician or trainee to join our busy sterilisation department to assist with the delivery process of sterile instruments and equipment for the theatre department. This role requires a team player who is flexible with rostered shifts and can be on call, Monday to Friday and occasional Saturday's.

The role includes working in an environment that requires applicants to be physically well as there is some heavy lifting involved and standing for long periods of time.

We are looking for someone who holds or is willing to work towards a Sterilising Technology qualification. Full training will be given to the successful applicant.

Our ideal candidate will have:

- Thorough and meticulous work habits
- Able to work independently
- Good communication and interpersonal skills
- A positive approach to working in a busy team
- Able to work under pressure
- Tidy appearance
- Able to work flexible hours including overtime

We offer a professional and friendly environment, comprehensive orientation, great working conditions and opportunities for further development.
