Demand for private surgical services in Northland has grown exponentially and in view of this, we are expanding too.

About us

Our history

Kensington Private Hospital opened in 2001 with three operating theatres and a 19 bed inpatient suite. We now have five operating theatres and a 21 bed inpatient suite with plans for further expansion.

Our services

Our hospital offers a wide range of surgical services and performs over 4,000 procedures per year. Many of our surgeons are recognised nationally as experts in their fields and choose Northland as a base for its lifestyle options.

Visit our website for more information on services offered

Location

We are located in the beautiful Northland region which provides an abundance of lifestyle opportunities based around beautiful coastlines and a rich cultural heritage. Northland has a subtropical climate with over 100 beaches in the Whangārei district alone.
